- What are the skills within your body that could infill the project's content and topic?
- What is your potential contribution to the network activities ?
- What is your experience in terms of working through transnational exchange in relation to the policy challenge?
- What do you expect from the network?
- What is the added value URBACT would bring to the city in terms of learning and capacity building?

5. CONTRIBUTION TO THE PROJECT

in writing this part, please bare in mind that these Points of 2021-2027 EU Cohesion Policy need to be addressed:

1. a more **competitive** and **smarter** Europe
2. a **greener**, low carbon transitioning towards a net zero carbon economy
3. a more **connected** Europe by enhancing mobility
4. a more **social** and inclusive Europe
5. Europe closer to **citizens** by fostering the sustainable and integrated development of all types of territories

As well as URBACT's c ross-cutting principles of green transition, digital transformation, and gender equality.

6. ABOUT YOUR EXPERIENCE IN EU PROJECTS (answer if applicable - if not, please just tick the following box: c not applicable):

Describe your links with Managing Authorities responsible for the administration of EU funding
Describe the experience your city has in securing and using funding from the EU
